

DEEPTHI R

Mysuru, Karnataka | +91 89513 41544 | deepthir.eng@gmail.com | linkedin.com/in/deepthi-r

PROFESSIONAL SUMMARY

High-achieving Electronics and Communication Engineering student (Top 5 Rank, 8.95 CGPA) with strong skills in Python, C, Data Science foundations, and Computer Organization. Demonstrated technical leadership in team mini-projects and an ownership mindset to build efficient IT solutions for Procter & Gamble.

EDUCATION

ATME College of Engineering, Mysuru
Bachelor of Engineering – Electronics and Communication Engineering (2024 – 2028)

- Academic Standing:** 8.95 CGPA (through 4th Semester) | 4th Sem SGPA: 8.8 | **Zero Backlogs**
- Department Rank:** Ranked among the **Top 5 Students** in the ECE Department.
- Relevant Coursework:** Computer Organization & Architecture (COA), Data Structures & Algorithms, Object-Oriented Programming (OOP), Operating Systems, Database Concepts (SQL).

Expected Graduation: May 2028

TECHNICAL SKILLS

Languages:	Python, C, SQL
Core Concepts:	Data Structures & Algorithms, Object-Oriented Programming (OOP), Data Science Foundations, Operating Systems
Tools & Frameworks:	Git, GitHub, VS Code, IBM Enterprise Design Thinking, AI Tools
Hardware & Systems:	Arduino, Sensor Signal Interfacing, Servo Motor Control, IoT Fundamentals, C/C++ Embedded Logic

PROJECTS & LEADERSHIP

Team Mini-Projects Lead

- Spearheaded student project teams through multiple engineering mini-projects, taking full ownership of planning, system architecture, and task distribution.
- Led code integration, hardware-software debugging, and quality checks to ensure successful project execution ahead of deadlines.

Academic Projects

Robotic Hand – Assistive Device for Restricted Mobility

- Engineered C/C++ control logic on Arduino microcontrollers to process analog signals from 5 flex sensors and drive PWM servo motor outputs in real time.
- Calibrated sensor signal thresholds and smoothing logic to eliminate jitter and enable responsive finger articulation for assist technology.
- Independently managed full lifecycle development, including hardware-software integration, logic debugging, and system validation.

Individual Project

CERTIFICATIONS & ACHIEVEMENTS

- Data Science Foundations & AI Fundamentals / AI Literacy**
- Introduction to IoT (Internet of Things)**
- Enterprise Design Thinking Practitioner – IBM**
- Samsodhana Badge – Academic Research & Innovation Recognition**
- Academic Distinction:** Top 5 Rank holder in ECE Department with an 8.95 CGPA across 4 semesters.
